

## *A Note from the Principal*

*Cristy Perry*

*"Let the Lord's people show him reverence,  
for those who honor him will have all they need."*  
Psalms 34:9

February is the month to honor our supportive parents and grandparents, our dedicated teachers, and our wonder-filled children. Before spring, I like to sit and take stock of all of the blessings and gifts that God has given to me, and in doing this, I am reminded of how these people have blessed my life. The flyer for Catholic Schools Week is included in this newsletter, and I hope that you can join us for one of these fun events. I especially invite grandparents to our Bingo game Wednesday afternoon and invite parents to our parent appreciation lunch on Thursday. It is our small way of saying "Thank you" for all that you do for our school and your children. Your feedback and support is taken seriously and used to make our school a better place. I know that Catholic education is a choice that you make, and I thank you for entrusting your children to us.

### **PARENT CONFERENCES**

Parent conferences can be scheduled anytime! Additionally, we will have a half-day scheduled on February 16 to enable the teachers to meet with all parents. This meeting will focus on performance and ways to improve to end the year with your child doing his or her best. The teachers will send home more information about conferences to help you schedule a convenient time.

### **2012-2013 Enrollment**

Enrollment for next school year starts this month! Priority is given to current students until May 1. This is also the deadline for discounted registration fees and the priority status scholarship. All application materials will be available online beginning February 1.

## Catholic Schools

National Catholic Schools Week is January 30-February 3. We will be celebrating Catholic schools and especially St. Anne Catholic School! This is a fun time to be excited that we are a school who works to find the path that God has chosen for us. Please see the enclosed flyer for more information. Happy Catholic Schools Week!

### **St. Anne Business Directory**

Every year St. Anne Parish publishes a business directory to advertise businesses that support St. Anne School. The directories are then distributed to parish, school, and alumni families to encourage them to support those establishments. To participate in this project you can purchase an ad for your business or ask a business that you frequent if they would be interested in purchasing an ad. As a bonus, any businesses that donated items worth \$50 or more to our October Auction are automatically included in our directory! Parents who bring in an ad for our directory will also get 50% of the value of the ad as a credit on tuition! Thank you for supporting those who support us!

### **Calendar Reminders!**
