

# THE GIVING TREE

Have you seen our beautiful *Giving Tree* as you enter the school building? This *Giving Tree* will be used to commemorate and honor the people who wish to support St. Anne Catholic School. Would you be interested in ensuring that a Catholic education continues to be available to all children? We have scholarship funds at St. Anne School to help us achieve this most worthy goal of maintaining the religious and academic excellence of our school.

Giving to our scholarship fund allows a person to contribute to something that is meaningful and significant to them. It is a fund of money in which the principal is not spent, only the “*earnings*” on the principal. It is established in perpetuity. Donors of \$10,000 or more can name a scholarship in honor or memory of someone special or they can add to one of our existing funds. There is little doubt that the long-term economic stability of our school lies in securing a solid scholarship fund base.

What a wonderful way to honor a loved one whether living or deceased! What a grand way to celebrate a special occasion!
